Profile

I have a bachelor's from UNISO in Nutrition and a certificate from IGA in Gastronomy and I'm currently studying Web Design and Web Development at SLCC. I have around 1 year of experience in clinical nutrition, public health nutrition, and community nutrition. I am pro-active, meticulous and great at teamwork. I believe in continual professional development through research and teamwork. I take great pleasure in learning new things, practicing outdoor sports and meeting new people.

Experience
